Counsel:

Below is our best effort to recap where we stood on the pending deposition requested with targeted locations that were in process as of the initial stay. As discussed, we suggest that we work toward setting up a deposition schedule after July 1, contingent on circumstances then prevailing. So the next step is to confirm this as an accurate reflection of the planned depositions and for CSXT counsel to provide feedback on available dates for the CSXT witnesses and CSXT counsel.

All –

We should have a meet and confer call regarding the stay order. To get the ball rolling, how about tomorrow at 9 or 2, or Thursday in the afternoon?

Regards,

Alan
